Sample Dialogue with your Legislator

Good afternoon,

I am a constituent of Senator **(name)** in **(city/town)**. My zip code is **(xxxxxx)**. I would like to set up a time to discuss a bill with the Senator that will be coming up at the General Assembly in 2022.

At the beginning of 2021, HB2254- a bill outlawing unsolicited lewd photos- was passed unanimously in the House. It was sent to the Senate Judiciary Committee where it was killed.

Kelly Convors-Fowler was patron in the House and Jennifer McClellan in the Senate.

(personal story inserted here)

Example: My twin 17 year olds are very interested in passing a bill this year that makes it illegal for individuals to send unsolicited lewds. They even made the attached video with some friends for the National Women's Political Caucus-VA.

They would like to speak with Senator/Delegate **(name)** to see where **(he/she)** stands.

I am working with **(insert other organizations you know working on this legislation)**.

We look forward to working with you to get this passed in 2022.

I look forward to hearing from you-
